Partner

Elite

## Who We Are

**Senior security and compliance professionals across all U.S. markets.**

- Founded in 2001, ex-Big 4 leadership
- Experts in IRM, Identity, and Cloud Security
- Industry-aligned healthcare and financial services practices
- Trusted Partner to the CIO, CRO, CISO, CCO, Legal, CPO and Audit
- Deep technical expertise, MVP architects, engineers and consulting skills across our partner ecosystem from SailPoint, ServiceNow, to Microsoft
- ServiceNow technology and service partner; certified professionals

## Edgile Value Differentiators

### Elite Partner with Certified Risk and Security Resources

Professionals with both functional and technical expertise certified on ServiceNow GRC/IRM, Vendor Risk Management, Business Continuity Management, Vulnerability Response, Security Incident Response and Core Platform.

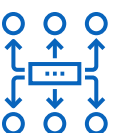

### Content Accelerators and Quick Start Configurations

Enable ServiceNow Security and Risk solutions within a matter of weeks leveraging proven configuration accelerators and requirements templates; including our pre-built library of harmonized laws and regulations, IT Risk Register, and Diagnostic Assessments.

### Better Together

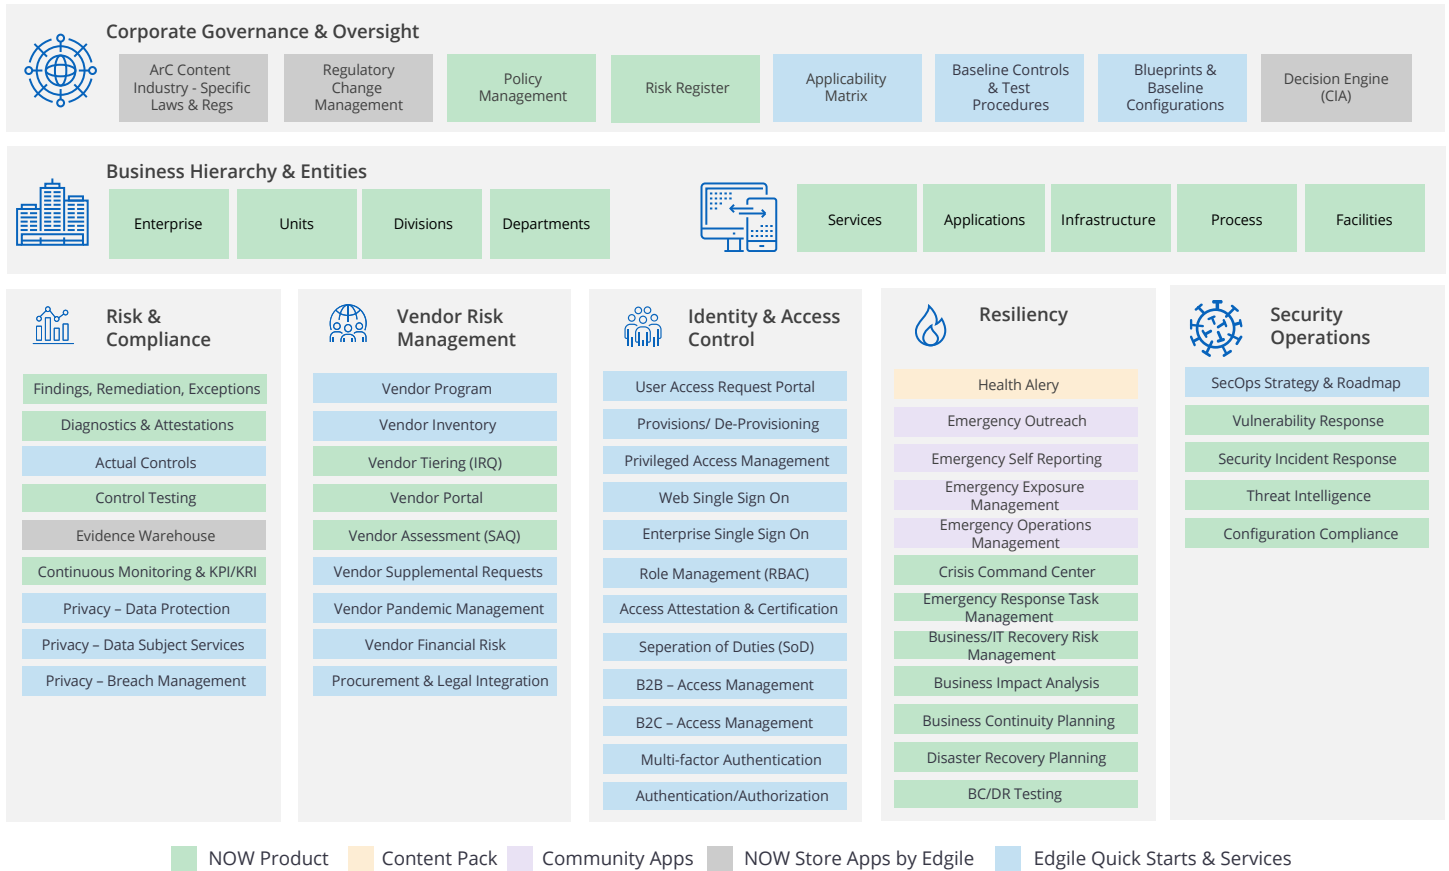

Ability to develop a roadmap that integrates ServiceNow Security, Risk and other platform solutions (e.g., APM, CMDB, ITSM Pro, ITBM) with an incremental quick win roll-out.

### Domain Expertise

Benefit from a team that has both developed and run Security and Risk programs, with industry and ServiceNow expertise; deep team of functional and technical leaders (e.g., former CISOs, Big 4 partners, Senior Architects).
