

## Edgile Recognized as Top Microsoft Partner

*Named Microsoft 2017 Enterprise Mobility Partner of the Year Award Finalist*

AUSTIN, Texas, June 13, 2017 — **Edgile**, the leading cyber risk and compliance consulting firm, today announced it has been named a finalist in the 2017 Microsoft Enterprise Mobility Partner of the Year Award. The company was honored among a global field of top Microsoft partners for demonstrating excellence in strategic innovation and implementation of customer solutions to digitally transform their businesses in the cloud, based on Microsoft technology.

Edgile's recognition as a Microsoft 2017 Enterprise Mobility Partner of the Year Award finalist comes as leading organizations increasingly work with Edgile to securely and compliantly move their on-premises applications to take advantage of the operational efficiencies, cost savings and innovative services of the cloud. Edgile has the distinction of a long history of success as a Microsoft Gold Partner with deep expertise in EM+S, Azure Active Directory and Active Directory across its practice, which includes identity experts honored as Microsoft MVPs.

"Microsoft's recognition of Edgile reinforces the importance of our deep security experience, expertise and business-aligned strategic approach to modern enterprises, putting the systems in place to securely and compliantly conduct business anywhere, anytime," said Don Elledge, CEO of Edgile. "Edgile's strategy-first methodology and implementation teams regularly play a key role in enterprise security officers' ability to plan and align their roadmap to business goals and more effectively deploy best of breed technology, such as Microsoft solutions, throughout the enterprise."

Awards were presented in several categories, with winners chosen from a set of more than 2,800 entrants from 115 countries worldwide. Edgile was recognized for providing outstanding cyber risk consulting solutions and managed services in enterprise mobility.

"Our ecosystem of innovative partners is the cornerstone to delivering transformative solutions to our mutual customers," said Ron Huddleston corporate vice president, One Commercial Partner, Microsoft Corp. "We are pleased to recognize Edgile for being selected as finalist of the 2017 Microsoft Enterprise Mobility Partner of the Year award."

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.

### **Edgile Cloud Risk & Security Practice: We Secure the Cloud<sup>SM</sup>**

The enterprise-wide shift to the cloud is accelerating as the agility, reliability and reduced costs of cloud services are rapidly overcoming any concerns about protected information and regulatory compliance. Edgile's Cloud Risk & Security Practice provides clients with the path to the cloud, delivering the strategy and roadmap for organizations to make this move while managing risk and modernizing the organizational security model. Edgile's practice delivers the transformational skillset to lead organizations, bringing client cloud specialists with deep expertise in cybersecurity, identity and GRC risk and security services.

### **About Edgile**

Edgile is the trusted security partner to the world's leading organizations, providing consulting, managed services and regulatory content services. Our mission is to secure the modern enterprise by developing programs that increase business agility and create a competitive advantage for our clients. Our strategy-first model helps organizations achieve their business goals through on-premises and cloud security programs, IAM, GRC and cybersecurity.
