Edgile to Present at SailPoint Navigate '17

AUSTIN, Texas, June 8, 2017 — Edgile, the leading cyber risk and compliance consulting firm, today announced that it will present at SailPoint's latest Navigate event, sharing advances on how to securely and compliantly move enterprise-wide IT infrastructure, applications, and data to the cloud.

Edgile: SailPoint Partner of the Year (Americas)
Based on an outstanding track record, Edgile was recently named SailPoint Partner of the Year for the Americas. As a platinum sponsor of Navigate '17 (June 13-15 at the JW Marriott in Downtown Austin, Texas), Edgile architects and consultants will be on hand (booth #5) to discuss how organizations can make the most out of their on-premises and cloud investments.

Case Study: Microsoft Azure & SailPoint
Identity and Access Management experts, Edgile partners Lawrence Wolf and Dean Fantham, will share insights from working with some of the world's leading organizations. Lawrence and Dean will discuss Edgile's strategy-first approach, and the latest advances in shifting to the cloud while managing risk and modernizing an organization's security model.

Thursday, June 15, 2PM (location: Lone Star A/B)

Edgile Two-Step Invitation
Navigate '17 attendees are invited to Edgile's annual party for security professionals.

Wednesday, June 14, 7PM. To RSVP visit edgile.com/navigate17

About Edgile
Edgile is the trusted security partner to the world's leading organizations, providing consulting, managed services, and regulatory content services. Our mission is to secure the modern enterprise by developing programs that increase business agility and create a competitive advantage for our clients. Our strategy-first model helps organizations achieve their business goals through on-premises and cloud security programs, IAM, GRC, and cybersecurity.
