

Cyber Risk firm Edgile to Exhibit at Microsoft Ignite 2017

Longtime Microsoft Gold Partner to showcase "Modern Enterprise" security strategies for cloud-based business transformation

AUSTIN, Texas, September 20, 2017 – [Edgile](#), the leading cyber risk and regulatory compliance partner to the Fortune 500, today announced it will showcase strategic innovations in cloud migration and identity-centric security at the sold-out [Microsoft Ignite](#) conference, September 25-29 at the Orange County Convention Center in Orlando, FL.

Edgile has a long history of success as a Microsoft Gold Partner with multiple EM+S and Azure Active Directory experts honored as Microsoft MVPs. Additionally, the firm was recently named a Microsoft 2017 Enterprise Mobility Partner of the Year Award finalist for expertise in driving digital transformation across the enterprise and into the cloud.

Located at booth #1763, Edgile senior architects and consultants will be on-hand to connect with event attendees, sharing on the latest innovations in secure, compliant, and cost-effective extensions of Microsoft solutions and services. From global regulatory strategies for Office 365, to security operations and IAM optimization for the Azure cloud, Edgile's deep Microsoft expertise will deliver attendees leading insights developed over numerous high-level Microsoft-centric engagements.

Attendees interested in scheduling a meeting with Edgile security experts—including Microsoft MVPs—can visit edgile.com/ignite2017 to complete the form and reserve a time.
